

ATTENTION!

The Waukegan clinic is now an appointment only clinic. Please call to schedule your appointments.

We are currently negotiating a second permanent clinic on the west side of the county in order to provide better access to services.

When the second clinic opens, the monthly community clinics will cease. The timing of this move is uncertain.

Please call us at 847-377-8470 to verify clinic times, dates, and locations prior to attending any of our community clinics.

Appointments will be required for best service at the new clinic, but walk-ins will be seen if appointment slots are available.
